

Dear Lansdowne Borough,

As the Friends of the Lansdowne Library begin our annual membership drive, we understand how the pandemic has reshaped our lives, and we hope you are well and coping with the challenges. We are so happy that the Lansdowne Public Library staff has been responding with creative solutions every day in order to get you the books and resources you need, despite the library building being closed.

I look forward to the day we fully reopen our building and we can all enjoy our public library the way we used to. The Friends ask you to consider a generous gift to help us support the Library's plans to offer a vibrant array of programming to keep our community entertained and informed. These include the popular children's summer reading program, outdoor activities including story walks and engaging adult programs featuring local experts.

We all benefit from living in a community that loves its library. As a 501(c)(3) non-profit, we rely on our old friends and encourage new friends to help us provide the extras that keep Lansdowne Public Library a vibrant destination for our community.

Please, we need your help. Make your contribution today. We and your library community are deeply grateful for your continued support.

Helen Bowes, President
